

REMARKS

The statement of priority in the application and on the declaration contained an error caused by the transposition of two numbers. The Specification has been amended to correct the statement of priority. In addition, enclosed herewith is a new Declaration and Power of Attorney to replace the one originally filed with the application. The new Declaration and Power of Attorney properly indicates a claim of priority from 09/891,775, filed June 25, 2001. It is requested that the priority data for the case be corrected and a corrected filing receipt be issued.

Respectfully submitted,

David S. Jacobson
